## SEARCH CUSTOMER (ALT + F2) -

- Search customer panel helps you to search customer by his name or by his city name.

The screenshot displays the Online Munim software interface. At the top, there is a navigation bar with the logo "online MUNIM" and a search bar. Below the navigation bar, there are several panels. The "Search Customer" panel is highlighted in yellow and contains a text input field for "Enter Customer Name / Mobile Number", a "Go" button, and a dropdown menu for "Select Customer City / Village" with a "Go" button. To the right of this panel is the "Search Girvi" panel, which contains a text input field for "Principal Amount / Serial No. (s1234)", a "Go" button, and three dropdown menus for "31", "AUG", and "2013", each with a "Go" button. The top of the interface also shows gold and silver prices and a welcome message.

- Enter name or mobile number of customer and click on GO button. It will show you all details of that customer.
- OR you can search customer by customer city name.
